MEMORANDUM FOR Chief, New Building Project Office  
Office of Logistics

25X1 FROM:

  
Chief, Technical Security Division

SUBJECT: Additional Office Space for Technical Security  
Division

1. The Technical Security Division (TSD) has been tasked to take over two programs which are, at present, residing in other Directorates. This tasking, levied in January 1984, will require additional personnel if we are to accomplish current program goals.

25X1 

4. These two programs alone could account for an increase in TSD of 7 to 10 people. I would appreciate your efforts to identify additional office space, to handle this increased TO, contiguous to that now being considered for this Division in the New Office Building on the Headquarters compound.
